

MASmobile Set Up Instructions:

To set up MASmobile, you will need a MASweb user and password along with the URL of <https://nmccentralsmobile.com:84>.

The screen shot below shows how to add a new user. Once this information has been added, you should be able to access your accounts through MASmobile.

The screenshot displays the MASmobile application interface. At the top, the status bar shows the time as 9:44 and various system icons. Below the status bar is a dark blue header with the text 'Login' and a back arrow labeled 'App Store'. The main content area is a white card titled 'Add new user'. It contains four input fields: 'Profile name (Optional)' with a person icon, a URL field containing 'https://nmccentralsmobile.com:84' with a link icon, 'Username' with a person icon, and 'Password' with a key icon and an eye icon for visibility. Below the fields are three radio buttons, the first of which is selected. At the bottom of the card are a blue 'Next' button and a 'Cancel' link. A standard iOS keyboard is visible at the bottom of the screen.
